Fresh from the Kapiti Playhouse theatre

## The Signal Singers

## Calling all worker bees

We are still calling for helpers for

### The big library tidy up

If you have ever been frustrated by not being able to find the book you want on the shelf when the computer catalogue insists it is there now is your chance to help fix this problem...

We know things can get muddled and out of order and it is time to sort things out.

On Wednesday August 23rd we will be having a working bee in Te Takere to clean tidy and organise the books on our shelves into the correct order.

If you would like to help please call

Gaye Stewart on (06)3685883 for further information

### *The beginning of the Signal Singers*

Noel Signal's singing career began some 50 years ago and over a period of ten years he sang principal roles with the NZ Opera Company, Sydney Symphony Orchestra, NZ National Orchestra and many major NZ Choral Societies.

Fast forward to Noel at age 80 when he decided he needed a challenge, so what better than to start voice training again. Some three years ago he formed the "SIGNAL Singers" that has developed into a choir enjoyed by so many people in various venues on the Kapiti Coast.

There's still time if you hurry!

# Bridge Tournament

The FOHL Bridge tournament this year is scheduled for Sunday August 20th so if you are a keen bridge player mark this one in you diary now so that you don't double book yourself.

The Tournament will be held in the Levin Bridge Clubrooms  
17 Tawa Street Levin

Lunch will be served at mid—day followed by Bridge.

Afternoon tea and prize giving will round off the afternoon.

There will also be some great raffles supporting the Friends of Horowhenua libraries

If you would like to be part of this event there is still time please contact Margaret Clarke on (06)3689881

Since the average person's small supply of politeness must last him all his life,  
he can't afford to waste it on bridge partners.

## Te Takere wouldn't be Te Takere without the wonderful programme of musical events that is offered every month

Sunday 27-Aug

2pm-3:30pm

**Frank Burkitt Band**

Gold Coin Koha

I've heard these guys play a few times and they are great fun. They offer real toe tapping entertainment and some very clever original songs.

Please note that while most of these events are free, a Gold Coin Koha is appreciated for the Sunday concerts to offset the cost of the high calibre professional artists who entertain at these monthly performances.

### Friday Lunchtime concerts

Friday lunchtime concerts are a regular event between 12.00 and 1.00pm. If you are in town why not pick up a bite of something delicious from Libretto Café in the library or bring your lunch and enjoy the music while you eat.

**Apology :** I do not have the schedule for August/September but I'm sure if you call Te Takere or check the "What's on" page in the local paper you will see what is coming up.

### Newsletter delivery

In the past some of our newsletter subscribers have had their copy of the Newsletter hand delivered to their letterboxes. However this is no longer possible.

**But there is no need to miss out!**

Linda Johnston of Te Takeretanga o Kura hau po has agreed to print copies of our newsletter for friends who ask for them at the library.

The Newsletter is usually published in the last week each month.

We hope that this solution will work for you and apologise for any inconvenience.
