

## Friends of Horowhenua libraries June 2022

### What a treat is in store for our **July Morning tea.**

I had the good fortune to catch part of an interview with Jenny Setchell on RNZ last week and now I look forward to meeting her.

**Jenny Setchell** will talk about Organs - the musical kind.

Jenny is an artist, organist and pipe organ enthusiast who has travelled extensively and photographed organs around the world.

Jenny says on her website <https://jenny-setchell.pixels.com/>

“I started working in a darkroom when I was 7 years old and have gone through a range of techniques and styles to match the developments in photography. Lately Butz publishers of Bonn, Germany have published 3 of my books; they have also published 3 calendars solely of my photographs.

My main focus these days is on pipe organ photography, but I enjoy landscapes and architecture too. Since I live in one of the most beautiful countries in the world, New Zealand, I am fortunate to have glorious landscapes right on my doorstep; I have yet to capture a scene that I'm happy with, but it's fun trying

### Tea and Tales

Is once again going well in Levin at Te Takeretanga o kura hau Po. The next Levin meeting will be 10.30am on July 7th in Levin. The Foxton meeting was not well attended but we will try again at 10.30am on 30th June. Do think about coming along. It is a lovely sociable gathering of folk with like minds and is always enjoyable.

Next Wednesday 22nd June there will be a stocktake of Te Takere library stock. Most of the work has been done digitally and this will be the final tidy up of loose ends.

We need more volunteers to help make this job go smoothly and rapidly - we'd like to be done by the time the library opens at 10.00.

If you can help please meet us at the Bath Street entrance of Te Takere at 8.30am.

There is no heavy lifting involved and it's cosy inside and fun to be working with a team of friendly people. See you there !
